PHI KAPPA SIGMA

Alpha Mu Alumni of THE Massachusetts Institute of Technology

Dear Brothers:

The recent fluctuations in the pandemic situation leave many things uncertain. But one thing we are counting on now is that, this September, the Phi Kaps of MIT will once again be in the house we all know and love at 530 Beacon Street.

MIT has carefully planned out the reopening of its fraternity houses and is committed to its success. Likewise, our alumni and actives are committed to the plan. **We will be holding one more directors' meeting by Zoom teleconference on Sunday, August 15, 2021, at 4:00 pm** to review the status in regard to finances, physical plant, and operations.

Last year, we discovered that some of our alumni who are not serving on the board were nonetheless interested in attending such a meeting of directors and students while it is on Zoom, since no travel is required. So, we are offering that connection again this year. At the bottom of this email, you will see the link that you can click on to join in. You might also want to send a brief email to Director Tom Mikus (mikus@alum.mit.edu) several days in advance to give him a rough idea of how many to expect.

On Wednesday, September 22, at 6:00 pm, the alumni board will join the actives for dinner at 530 Beacon Street, followed by our first in-person meeting in a year and a half. As was our custom, we will use the

September meeting to sign the new year's lease and to review rush-week results, physical plant, and finances. We will also continue a discussion that we hope to begin at our Zoom meeting in August.

While the August meeting is largely for reviewing the plans and status of all things related to reopening, there is also a more general strategic topic, for which we are especially interested in the ideas from all our alumni. We would like to celebrate the major renovation work on the house done in the last eight months. We would also like to look ahead to celebrating 100 years of the Phi Kappa Sigma Trust, which bought the 530 Beacon property in 1922. Should we combine these celebrations into an event this fall, or wait for more certain travel conditions next spring, or hold two separate events? What are your thoughts?

I hope to see many of you in this coming year, and, from the board, we wish you good health and happiness in the meantime.

Fraternally,

Tim Heatwole
