Lineage Cup is the Alpha Mu Chapter's signature spring alumni event. In this daylong tournament, the house lineages (Wescott, Ricky D, and No Name) compete for the coveted Usmen Cup. Every year, there is only one victor in this great PhiKap competition.

Represent your lineage in tests of the mind and body as we partake in sports ranging from soccer to FIFA and contests from Smash Bros to gallon challenge to crown the rightful owner of the Usmen Cup: the embodiment of all that is glorious in our hallowed halls.

Alumni Career Workshops

To allow actives to learn about different fields and paths that other alumni have explored in their years after MIT, we hope to use alumni career workshops to facilitate these conversations and connections. This is a great way to reconnect with house and to provide the actives with the knowledge you gained throughout MIT and in the world after it.

If you would like to participate as a presenter or get more actively involved, please reach out to the Upsilon, elijahj@mit.edu. There will be more communications about alumni career workshops in the future. Keep a look out in your e-mail from the Upsilon trying to contact you for a workshop.

Lastly, so that active Phi Kaps can better connect with alumni, we ask that you fill out the alumni outreach form here if you haven't already, by clicking on the button below.
